HOLIDAY HELPERS

We are asking for your support to make the holidays brighter for the seniors in our communities. We have several opportunities that suit both individuals and groups. **We have approximately 75 homebound seniors in our home-delivered program.**

Interested in collecting new items for seniors in need? Please see below for our list of suggestions. We ensure that your gifts will be given to our most isolated participants, who may not otherwise be remembered for the holidays. **Needed at our office by December 15th, please.**

- Candy & Packaged Snacks

We serve seniors from a wide variety of backgrounds and faiths, so we ask that all gifts that celebrate the holiday season are without a specific religious focus.

Volunteer Opportunities

Want to volunteer individually or as a group for the holidays? We are looking for help packing these items into holiday gift bags, and more! This need to assist seniors continues year-round. Let us know if you would like to volunteer beyond the holiday season.

Pet Supplies

While support is critical for our participants during the holiday season, we also help their four- legged family members who provide valuable companionship and important health benefits. Our NEW pet support program - Senior Pets of Love - welcomes gifts of dry and wet cat and dog food, toys, and treats to help our older and disabled adults care for their pets during the holidays.

Donate

Your financial contribution – of any amount – provides local seniors the gift of our programs and services. Together, we can ensure that no one needs to go through the journey of aging alone.

ON BEHALF OF THE OLDER ADULTS WE SERVE, THANK YOU!
